Memo re telephone advice: Staff: Margaret Ellison

To: Craig Primo, Campaign Manager, McClintock Committee

Tel. No.: (805) 495-0405

Date: 8/22/89

I called Mr. Primo in response to his letter of August 9, 1989, requesting written confirmation of the effective date of the Taxpayers decision. I told him that the Commission would be considering an opinion request and possibly rendering an opinion at the 9/6/89 meeting. I told him that there was also a possibility of clarification from the Court of Appeal in response to our request for rehearing to clarify that issue. I advised him that we would not be responding in writing to requests for an effective date, because of the anticipated Commission opinion which would serve as written advice for everyone. I stated that based upon information received from the clerk's office and our subsequent research, we believed the earliest enforcement date to be 10/3/89.

Dear Mr. Larson:

I am writing to you today requesting written confirmation of the FPPC's position on a recent court ruling. The decision in question is the one handed down last week in the 2nd district count of appeals regarding off-year contributions. My question to you is this, what is the effective date of this decision. Thank you for your time.

Sincerely,

Craig Primo
